

# Turtle Island NFT **Treasure Hunts**

you drown not by falling in the river but by staying submerged in it

March 2023 Update

## Update from our Founder

- ◆ We have been enjoying the crypto winter by concocting some new initiatives and strategically expanding our team. We will be putting more focus on the NFT collection when things in the crypto world get a little more stable and exciting.

In the meantime, we are going to start having Treasure Hunts all around the world! We will be starting in our home base, Vancouver B.C, this April.

If you have a city you'd like us to come to with a \$1000 cash prize, give us a shoutout on your story and tag the location.

You can read more about it on our Tortoise Tasks page. The new edition for that was released recently too
